MEMORANDUM FOR: Deputy Director DPS/DCI

SUBJECT : JCS CHALICE Clearances

1. Herewith are some papers that are self-explanatory. After glancing at them, you may wish to pass them to the Security Officer for his files. I gather action is going forward to brief the individuals on the Joint Staff for whom clearance was requested.

2. I believe you will share my alarm at the possible intrusion of the Joint Staff into CHALICE operational matters. I believe every effort should be made, in concert with the Air Force, to ensure that our dealings with the Defense establishment regarding both support and operational coordination should continue to be with the Air Force, as I stated to General Cabell in the attachment. Would you let me know if you become aware of any ominous tendency of Joint Staff intervention.
